- Premium Quality Materials
- Modern Collaborative Design
- Locking Vertical Stacking
- 14 Gauge Continuous Leg
- 13 Gauge Under Structure
- Lifetime Frame Warranty
- 4 Seat Heights
- 16 Standard Shell Colors
- Unique Hard or Soft Glide
- Three-Way Cleaning Stack

### Euroflex™ Chair Specifications

Frame: 19", 17", 15" and 13" units: 1-1/8" diameter, 14-gauge Cold Roll High Strength Low Alloy Steel & support bar. One piece continuous leg. All units are welded together with two seat brackets of 13-gauge die-formed steel, integrally tying all tube parts for maximum structural integrity. Chairs can be stacked within like sizes. Frame is hard nickel chrome plated after all welding is complete.

**Standard Chrome Finish:** Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel--it will not scratch. Our product is chromed on plateable quality tubing after all welding is completed.

**Glides:** Unique Patent Pending sled based toe and foot. Euro design elements and the highest quality material are combined to create the highest quality form and function in the marketplace. Incorporating our exclusive glide pad available in either nylon or neoprene.

**Euroflex™ Shell:** Generously sculpted one-piece shell is injection molded from proprietary high impact, blush resistant polypropylene plastic with an antistatic additive. Collaborative seat design can be comfortably sat in all four directions. Dual textured surface is etched to provide a non-slip surface while assisting in maintaining like-new appearance. Responsive, active, back encourages proper task position as well as ventilation. Seat back incorporates handle for movement. Innovative design and rib pattern transfers weight to the frame while adding rhythm and movement. Mobility wings in seat provide more surface and grips for movement. Shell design allows inverted stacking on desk for floor maintenance. The shell is attached to frame with four concealed machine rivets. Waterfall front for enhanced circulation. Exclusive dual-stacking design.

#### Shell Colors:

Navy, Taupe, Burgundy, Teal, Black, Cardinal, Sunflower, Violet, Orchid, Sky, Sunset, Mint, Hunter, Green Apple. Any custom color available in quantity.

#### Warranty:

- Limited lifetime frame warranty
- Five year shell warranty
- Five year finish warranty
- Two year wearing parts warranty

#### Models:

- 3709+19" ■ 3707+17"
- 3705+15" ■ 3703+13"

#### Shell Sizes:

- 3709-07 18.5" wide x 15.5" deep
- 3505-03 16" wide x 13" deep
