Upright Right

---

## STEP 1

Lay **Board** horizontal on a flat surface.

*Pro tip: Elevating Board to waist high assists in the assembly process, but is not necessary.*

---

## STEP 2

Place **Uprights** (Left & Right) on length of **Board** as shown.

### STEP 3

Affix assembly with three bolts on each side using **5/32" Hex Wrench**.

**NOTE:** Hand tighten bolts first.

You can now place the MAKER™ Idea Board in its upright position and use **5/32" hex wrench** to tighten bolts firmly.

*Assembly is now complete.*
