

## MAKER™ IDEABOARD CLEAR PANEL MOBILE PARTITION

71" H x 33" W

MODEL # IDEABOARD3371-A13-TAB

Mobile partition featuring 6mm thick colorless Acrylite® non-hazardous vertical writing surface. Product applications include classroom, media center, maker space, and any other place students and teachers gather. Partition may serve dual purpose of providing surface to ideate, problem-solve and present, as well as, create semi-permanent physical barrier between users while not eliminating visual contact between users.

### SPECIFICATIONS

#### • Frame / Base Info

- Material: 16 gauge cold rolled steel used on leg (tubular) and perforated (sheet metal) lower modesty panel, powder coat painted to 3mm thickness for greater scratch resistance.
- Details: 16 gauge .75" x 1.375" flattened oval frame tube upright is fully welded perpendicular to flattened oval tube "foot" featuring 22 degree radius and overall footprint of 20" for additional stability and load capacity. 16 gauge perforated lower model panel is fabricated with 1/4" round holes on 1" centers for standard pegboard hook accessories. Steel modesty panel offers generous horizontal structural stability.
- Options: Magnetic, porcelain coated dry-erase vertical writing surface material replacement panel

#### • Glides / Casters

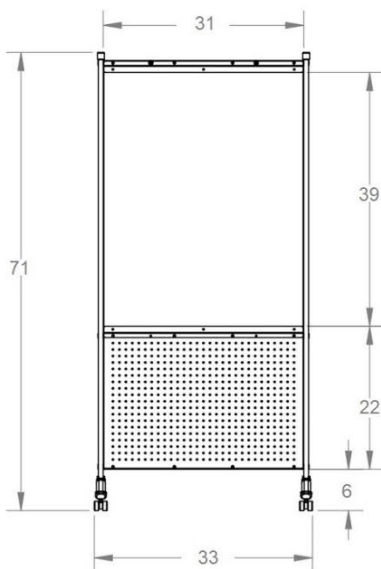

- Options: Casters are standard. Glides are optional.
- Available caster types: (4) dual wheel 1" diameter locking black polyurethane casters

#### • Surface Info

- Material: colorless Acrylite® non-hazardous vertical writing surface
- Thickness: 6mm thick
- Edging: Self-edge bracketed within steel frame structure
- Shapes: Overall frame is 71" high x 33" wide rectangle shape. Writing/protective surface panel measures 31" wide x 39" high. Perforated modesty/structural panel 31" wide x 22."

#### • Certifications

- Acrylic copolymer panel material is classified as non-hazardous under OSHA regulations
- Fire retardant qualifications: No flashpoint. Auto ignition level greater than 752 Fahrenheit

### MODEL NUMBER

### UNIQUE CHARACTERISTICS

The Paragon MAKER™ Idea Board offers a canvas for interactive learning, brainstorming and connection. Move the board to a small group discussion to help ideate. Move the board to the front of the room to share the ideas with the larger group. Mobile, double-sided colorless acrylic dry erase finish provides a large writing surface for expression, as well as, distance between students to encourage healthy interactions. The MAKER™ Idea Board is also a sound redistribution resource for active, multi-group learning spaces. And, perforated bottom panels allow for easy storage and access of tools and writing utensils.
