STEP 1: Attach welded frame
to the top. Hand start all the
screws before tightening

STEP 2: If you ordered adjustable height legs. Set the bezel to desired height. Place the lower leg into the frame. Install the 2 set screws with a screw driver to prevent stripping of the screws.

STEP 3: Install 4 Dually Casters; tighten with 1/2" wrench

NOTE: If you choose the KD/BOXED option you will receive 1 table per box.
