Find Your Paragon Sales Team:

Need help finding your dedicated Paragon sales and support team? We've made it easy with our interactive territory map!

Just head to our website and follow this path: Home > About > Who We Are > Find Your Team.

Our Sales & Support team is organized into three regions—East, Central, and West—with dedicated experts assigned to each. This structure allows us to provide fast, accurate, and personalized service every time. At Paragon, delivering unmatched support is our standard—and our regional teams are here to make sure you get exactly what you need, when you need it.

Product Overview

Our Step Into: Paragon Learning Spaces documents are a valuable resource available on our website, offering brief yet informative overviews of each of our unique learning environments. These guides help you quickly understand the purpose, layout, and key features of every Paragon space, making it easier to envision how they can support your educational goals. Whether you're planning a new space or exploring ideas, these documents are a great place to start.

You can view or download them all here: <https://www.paragoninc.com/step-into/>.

STEP INTO: PARAGON EARLY LEARNING

PARAGON FURNITURE

Welcome to a world where little learners thrive! At this age, curiosity runs wild, imaginations soar, and every day is a new adventure. The right furniture is critical and can help make these magical moments even better.

Designed for tiny hands and growing minds, our early learning furniture is all about comfort, safety, function and creativity. Paragon helps make classrooms the perfect place for young students to explore, discover, and play.

Registration Program Info

Paragon Furniture's Project Registration Program provides protection for value added services offered by specifying partners. Once approved by Paragon, the specifying partner will be given additional discounting for the value added service that applied to the sale of Paragon Furniture product. Discounted pricing will be given out at the discretion of Paragon Furniture. Registration Pricing will not apply to bids already in the public domain. If a project has already been properly registered to a Paragon dealer, all competing dealer pricing for the same project will be 50% discount off current list prices unless otherwise approved by Paragon's Vice President of Sales. Project registration is granted at the sole discretion of Paragon Furniture. All information provided will remain confidential.

Project value must be over \$50k to be registered. This for serves as a request to be registered - Projects are not registered until officially approved by the assigned Paragon Furniture team member.

For more information visit: <https://www.paragoninc.com/project-registration/>

Certifications

ANSI / BIFMA SAFETY & DURABILITY TESTING

Safety

At Paragon, student and teacher safety is our top priority. All our furniture meets—and exceeds—ANSI/BIFMA safety standards. We ensure this through rigorous third-party testing and our own in-house lab that pushes products beyond standard limits.

MAS CERTIFIED GREEN

Responsibility

At Paragon, sustainability isn't a trend—it's a commitment. We continuously improve our processes, knowing that smart changes today create a better tomorrow.

Science and Low Emitting Products

Paragon furniture qualifies as low-emitting and meets strict environmental standards, including LEED for Schools, CHPS EQ 2.3.5, and MAS Certified Green®

Reduce, Reuse, Real numbers and not Rhetoric

Our wood products are made from 100% recycled or recovered fiber, sourced from sustainable forests. Up to 90% of our packaging and steel come from recycled materials, and we locally recycle unused metal. Our powder-coat process also ensures minimal VOC emissions.

Accountability

As a U.S.-based manufacturer, we take environmental responsibility seriously—for the good of our planet and future generations.

Key Differentiators

PRODUCT HIGHLIGHTS

SURFACE / EDGE **HIGH-PRESSURE LAMINATE**

- Scratch, wear, heat & moisture resistant.
- Non-porous surface withstands frequent cleaning & disinfectant protocols.

HIGH-DENSITY FIBERBOARD

- 100% post-consumer super-compressed wood composite with moisture resistant phenolic backing.

EDGE BANDING

- 3mm impermeable, flexible PVC applied with aircraft-grade EVA hot-melt adhesive to achieve tightest possible seal between surface & edge.

LEGS / FRAMES **PARATUBE**

- Proprietary flattened-oval steel tube that provides the most rigid structure for legs & frames.

8-POINT BEZEL SLEEVE

- Patented 8-point bezel sleeve provides a system to easily adjust leg height while increasing the strength of the connections.
- Polypropylene design adds accent color to the leg for functional, aesthetic appeal.

CHAIR SHELLS **READY CHAIR**

- Gas-assist polypropylene shell creates a flexible back that allows for 18° of controlled flex
- Sleek chamfered edge increases leg comfort & reduces strain.

EMOJI CHAIR

- 3 distinct shell designs highlight Sensory Ergonomics for each age range.
- Hole patterns on each chair creates proper air flow & narrow mid-section allows for 4-way sitting.

TABLE / DESK CONNECTIONS **STEEL THREADED INSERTS**

- All table/desk legs connect to the surface using 6 steel threaded inserts.
- Greatly increases the durability of the connections & simplifies assembly.

STEEL GUSSET BRACE

- Full gusset brace creates superior structural integrity compared to wire braces & increases overall stability of the table/desk.

SHELVING **INFORMATION COMMONS**

- IC Shelving has steel ParaTube outer frame creating a solid, rigid structure that can withstand significant book weight.
- Decorative side panels are available in multiple materials & colors to add aesthetic appeal.

INFINITY

- Fiberboard shelving is reinforced with steel brackets at each connection point.
- Classic appearance complements traditional & modern library designs.

SOFT SEATING **MOTIV**

- Full wood inner-frame with reinforced steel base for increased durability.
- High-density foam cushions with hundreds of choices of durable textiles in a wide range of colors & patterns.

BLENDER

- 95lb ILD high-density foam core with 3/4" plywood base & nylon glides.
- Double-stitched upholstery available in a huge array of durable colors & patterns.

Key Differentiators

Paragon offers a helpful At-a-Glance document—a brief yet robust brochure that highlights everything you need to know about our company and the innovative products we create. It's the perfect quick-reference guide for getting familiar with who we are and what we offer.

INTERIOR DESIGN SUPPORT

To further support your project, we have an on-site interior designer available to assist with any design needs. Whether you're starting from scratch or refining an existing space, our designer is here to collaborate with you on layouts, finishes, color selections, and overall design direction. This personalized support ensures that your vision is brought to life in a way that is both functional and inspiring, making the process smoother and more efficient from start to finish.

MARKETING SUPPORT

Paragon offers true marketing support — not just as a vendor, but as a collaborative partner. We've seen strong success with co-branded initiatives and targeted email campaigns that elevate both our brand and yours. Whether it's driving awareness around Paragon or showcasing the strength of our strategic partnership, our team is here to deliver impactful, on-brand materials with speed and precision.

From Furniture Fair layouts and QR codes linking directly to Paragon's website, to customized tradeshow collateral, our marketing team is ready to support your efforts with an exceptionally fast turnaround time. Whatever you need, we're here to make it happen — seamlessly and strategically.

Quick Ship Options

Discover the convenience and style of our Quick Ship furniture—designed to get to you faster without compromising on quality. Now available on our website, you can easily browse, learn more about, and fall in love with our entire Quick Ship line. Whether you're working on a tight deadline or just want great furniture—fast—we've got you covered.

Build/Store Availability & A&D Strategic Approach

Build/Store Availability

Partnering with Paragon means peace of mind. Our unique ability to build and store product ahead of schedule ensures your project stays on track — with no last-minute delays or supply disruptions. By securing your purchase orders early, you not only guarantee product availability but may also unlock valuable discounting opportunities. It's a proactive approach that protects your timeline, budget, and bottom line — a true win-win for everyone involved.

A&D Strategic Approach

Marissa Farhat - Design & Architecture Growth Manager

At Paragon, we understand the vital role the A&D community plays in shaping project success — which is why we've made it a top priority in our partnership with Meteor. Leading this initiative is Marissa Farhat, our dedicated A&D specialist, focused full-time on building meaningful relationships and delivering value to designers and architects.

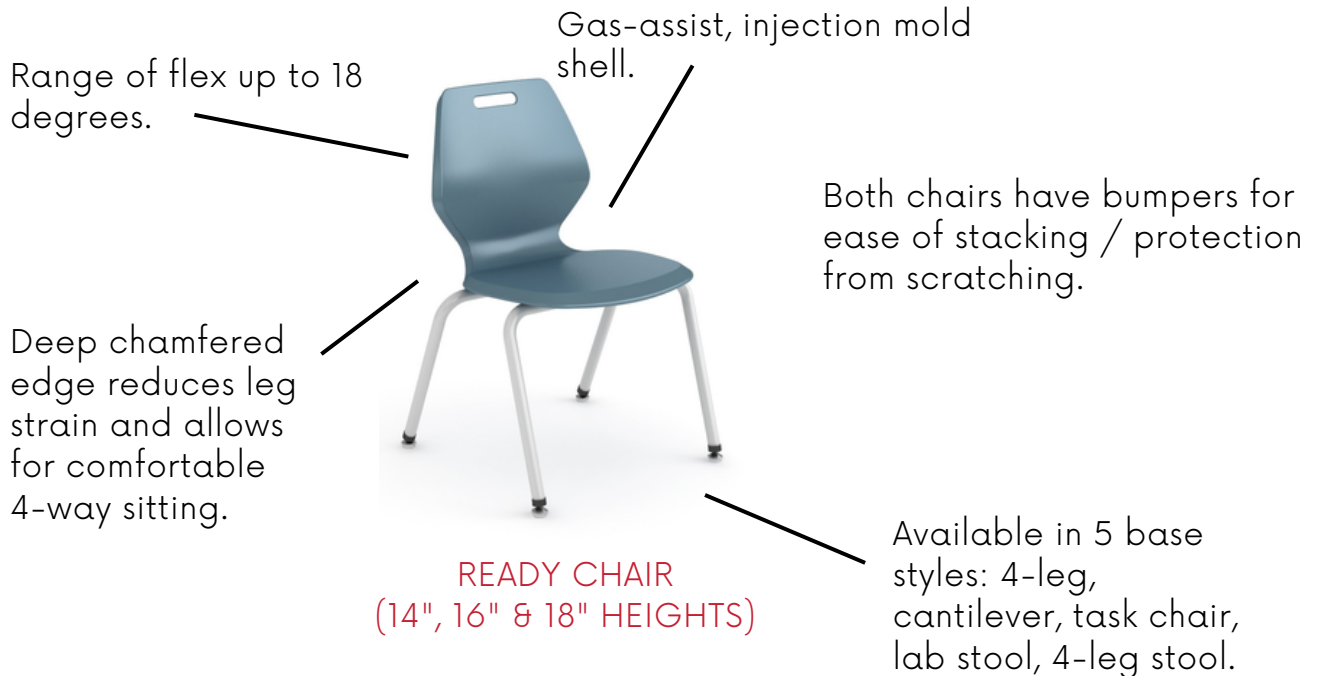

From CEU-accredited courses and tailored product presentations to hands-on, educational design resource sessions, Marissa brings a proactive, thoughtful approach to every interaction. Her mission is clear: to connect, support, and start the Paragon journey at the ground level — ensuring our solutions align seamlessly with your creative vision and project goals.
