CYCLE™ SERIES PERCH STOOL

STACKABLE

Cycle™ Series Perch Stools are designed with efficient storage in mind, stacking up to five high to maximize classroom space. All stool sizes are compatible for stacking, allowing for easy organization and flexibility when rearranging or storing seating.

ENGRAVED SEAT DESIGN

Blow-molded plastic seat in a standard Onyx finish, combining long-lasting durability with comfortable, ergonomic support. The surface features a light texture to enhance slip resistance, while the engraved hexagon pattern adds both visual interest and functional grip. Subtle Paragon branding is thoughtfully integrated into the seat design, reinforcing product identity without distracting from the clean, modern aesthetic.
