

# STEP INTO: CYCLE™ SERIES CLASSROOM

PARAGON FURNITURE

Welcome to the Cycle™ Series Classroom — a thoughtfully designed learning space furnished entirely with Paragon’s Cycle™ Series. Created for today’s evolving educational environments, this classroom showcases how flexible, functional furniture can support collaboration, movement, organization, and everyday learning. From independent work to small group instruction and whole-class engagement, the Cycle™ Series works together to create a classroom that feels cohesive, adaptable, and ready for whatever the day brings. With durable materials, intentional design, and a modern aesthetic, Cycle™ helps shape learning spaces that support both students and teachers.

# STEP INTO: CYCLE™ SERIES CLASSROOM

PARAGON FURNITURE

Here is just some of the thoughtfully designed furniture featured in this Cycle™ Series classroom. From flexible student desks and collaborative tables to mobile storage and adaptable seating, each piece is created specifically for modern learning environments. Together, these solutions support movement, organization, collaboration, and focus—helping shape classrooms that are functional, engaging, and built for the changing needs of today’s students and educators.
